

# EDITOR CALENDAR 2025

## SCOPE OF PLASTIC

<b>JANUARY</b>	Plastic Raw Materials and Chemicals Raw Material Systems and Auxiliary Equipment Masterbatch and Production Technologies
<b>FEBRUARY</b>	Pipe, Profile, Hose and Cable Extrusion Technology PVC Mixers Extrusion Molds
<b>MARCH</b>	Mold and Mold Technologies Hot Runner Systems Mold Sets
<b>APRIL</b>	PET Preform Injection Technology Blowing Technology PET Raw Material and Preform
<b>MAY</b>	Recycling Systems, Equipment and Technologies Recycling Plastics Recycling Raw Materials and Granules
<b>JUNE</b>	Sheet Extrusion Technology Multi- and Single-layer Rigid Sheets Co-Extrusion Technology
<b>JULY- AUGUST</b>	Cleanroom Injection for Medical Plastics Medical Polymers and Compounds Multi-Component Injection Technology
<b>SEPTEMBER</b>	Industrial Automation Technology Robot Technology Test Measurement and Control Devices
<b>OCTOBER</b>	Film Extruders Film-Bag Production Technology Reducers, Compressors and Electric Motors
<b>NOVEMBER</b>	Industrial Cooling Systems Heat Control Systems Resistances
<b>DECEMBER</b>	Injection Molding Technology Engineering Polymers Injection Molds

## SCOPE OF PACKAGING

<b>JANUARY</b>	Printing Machines and Technologies Cliché and Printing Cylinders Printing Inks
<b>FEBRUARY</b>	Frozen Food Packaging Technology Aseptic Packaging and Technology Plastic Carrying Cases and Boxes
<b>MARCH</b>	Printed and Unprinted Flexible Packaging Single-layer and Multi-layer Films High-Tech Movies
<b>APRIL</b>	Bottling, Filling and Capping Technology Packaging Robots End-of-Line Solutions
<b>MAY</b>	Labeling Technology Label and Safety Tape Inkjet and Barcode Encoders, RFID Systems
<b>JUNE</b>	Horizontal and Envelope Type Packaging Technology Detergent and Cosmetic Packaging Technology Automation and Test Measurement Devices
<b>JULY- AUGUST</b>	Boxing, Strapping, Stretch Wrapping and Palletizing Technology Conveyor Systems Packaging Straps
<b>SEPTEMBER</b>	Shrink Packaging Technology Shrink and Stretch Films Vacuum Bags
<b>OCTOBER</b>	Thermoforming and Vacuum Packaging Technology Vacuum Filling and Sealing Technology Thermoforming and Vacuum Packaging
<b>NOVEMBER</b>	Liquid, Granule and Powder Filling Technology Plastic Bottles and Caps Thin Walled Container and Cup Injection
<b>DECEMBER</b>	In-Mold Labeling Technology Disposable Packaging Rigid Packaging
